AREAS OF INTEREST

Machine Learning, Deep Learning, Natural Language Processing (NLP) and Web Development

EDUCATION

- **United International University (UIU)** 2020-2024
Bachelor of Science in Computer Science and Engineering
- **Dhaka Imperial College** 2017-2019
The Higher Secondary School Certificate (HSC)

TECHNICAL SKILLS

Programming Languages: Python, PHP, C/C++, and JavaScript.

Frameworks:

- **Machine Learning:** Scikit-learn, TensorFlow, Keras, and PyTorch.
- **Natural Language Processing (NLP):** NLTK, SpaCy, and Transformers (Hugging Face).
- **Web Development:** Django (Backend), and Bootstrap (Frontend).

Data Analysis and Visualization Tool: Tableau, and Excel.

Database: MySQL.

Version Control and Containerization: Git, and Docker.

Project Management Tools: Jira, and Asana.

Soft Skills: Problem-Solving, Critical Thinking, Project Management, Communication Skills, and Time Management.

EXPERIENCES

- **Upwork Inc** 2023-2024
Machine Learning Engineer San Francisco, California
 - Worked as ML Engineer, Data Scientist and Researcher
 - Worked on 25 projects and earned more than \$1500
- **United International University** 2022-2024
Project Leader United City, Dhaka 1212
 - Successfully led and completed all of the software project
 - Received award for delivering amazing project

SELECTED PROJECTS

- **Excess Drinking Behavior Among Young Adults - Research Project**
This research project delves into the complex world of young adults and their relationship with alcohol.
 - Tools and technologies used: Excel, NumPy, Pandas and Matplotlib
 - Role: Upwork project
 - **Sales Tracking Dashboard in Tableau**
This project is about tracking business data by visualizing it in Tableau.
 - Tools and technologies used: Tableau and MySQL
 - Role: Personal project
 - **UIUPhotographyClub-DjangoProject**
This project mainly developed for a club (Photography) to manage their club activities through web application.
 - Tools and technologies used: Django, Bootstrap 5.0 and MySQL
 - Role: Team Leader
- **Please visit my Github profile for more projects**.

ACHIEVEMENTS

- Received 100%, 50%, and 25% scholarship (trimester-based) for my academic performance at UIU.

January 7, 2024
